POSITION ANNOUNCEMENT

POSITION: BEHAVIORAL HEALTH CLINICIAN

JOB #: 2016-54

SUMMARY: The Behavioral Health Clinician, as part of the primary care treatment team, identifies, triages and manages patients with medical and behavioral health problems within the primary care setting. In addition, the Behavioral Health Clinician will provide skill training through psycho-education and patient education strategies and will develop specific behavioral change plans for patients and behavioral health protocols for target populations.

QUALIFICATIONS: Masters of Social Work from an accredited graduate school of social work or related field from a regionally accredited university. Maintain a current, active license with the State of Alaska as a Licensed Clinical Social Worker. Must possess specialized experience which involves using psychological assessments, formulating diagnosis or treatment recommendations and providing counseling services to patients.

***Part time option negotiable**

HIRING RANGE: DOE

OPENING DATE: September 16, 2016

CLOSING DATE: Until filled

APPLICATION PROCEDURE: Submit cover letter and ANHC application or resume to:
